MSH Ordering a Lung Cancer Screening (Providers)
Activity Information

Original Release Date   October 3, 2022
Reviewed Date   December 19, 2025
Termination Date   December 18, 2028

Target Audience   Physicians, Nurses, Physician Assistants

Learning Objectives

1. Define the scope of lung cancer in the United States and the indications for lung cancer screening.
2. Locate the U.S. Preventive Services Task Force (USPSTF) and Centers for Medicare & Medicaid Services (CMS) eligibility criteria to accurately order and bill for a low-dose computed tomography (LDCT) scan for LCS.
3. Recognize the elements of the CMS compliance guidelines required for conducting and documenting the shared decision-making (SDM) visit and tobacco cessation/abstinence.
4. Identify tobacco cessation (TC) resources within and outside of MedStar Health.
5. Identify the roles and responsibilities of members of the healthcare team involved in the collaborative care of lung cancer patients.
6. Integrate a team-based approach in the care of lung cancer patients.
7. Improve the documentation of pack-year smoking history to identify and facilitate lung cancer screening for eligible patients.

Evaluation Information
You must complete an online evaluation at the end of this course to receive continuing education credit.

After completing the evaluation, your CE credits will be available on your MedStar Health CE transcript on CloudCME™ **on the next business day**.

Commercial Support for this activity has been provided by: None

The following Planning Committee Members have no relevant financial relationships with ineligible companies to disclose:
Chavalia Breece, MSN

The following Planning Committee members have reported relevant financial relationships:
Eric Anderson, MD: Honoraria-Intuitive Surgical | Advisor-Intuitive Surgical

Accreditation

In support of improving patient care, MedStar Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation

This activity was planned by and for the healthcare team, and learners will receive **1.00** Interprofessional Continuing Education (IPCE) credits for learning and change.

MSH Ordering a Lung Cancer Screening (Providers)
Credits Available for this Activity

Nurses: This activity is approved for **1.00** ANCC contact hour(s). Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Evaluation and Transcript

You must complete an online evaluation at the end of this course within 30 days to receive continuing education credit.

After completing the evaluation, your CE credits will be available in your MedStar Health CE transcript on CloudCME™ on the **next business day**. CloudCME™ is a web-based continuing education portal where users can access their transcript anywhere, anytime, as well as register for MedStar Health conferences. Healthcare provider demographic information from all MedStar entities has been uploaded to CloudCME™ to facilitate a single sign-on system.

To access your transcript via CloudCME:
- Choose one of the two login options below.
  1. **MedStar Health Associates:** From your SiTELMS account under the Main Menu, select **CloudCME**. This will automatically log you in to your CloudCME account.
  2. **Non-MedStar Health Learners:** From your browser, go to **https://medstar.cloud-cme.com**, select **Sign in**, select "I am Not a MedStar Associate," and log in with your credentials.
- Select **My CE** (yellow button in the navigation menu).
- Select **Transcript**.
- On the left side, adjust the **Filter by Date** fields to the desired time period.
- On the right side, select **Download Transcript** to save your transcript, or select **Email Transcript** to email your transcript to yourself or someone else.

For questions about accessing CloudCME™, please contact:
SiTEL Help Desk at 855-745-1861, Monday through Friday from 8 a.m. to 5 p.m. Eastern time, or at
medstarceapplications@email.sitel.org.

Attention Physician Learners

To ensure accurate CME credit data reporting to participating state medical licensing boards/certifying boards, please log into **CloudCME™** and click on **My CE / Profile** to review and update your profile with the following details: ==**your full name, state of licensure (including number and expiration date), and your birth month and day.**== Here is the direct link to the CloudCME™ website: https://medstar.cloud-cme.com.

Additionally, please remember to check the box at the bottom of the profile screen to grant permission for us to report your completion data to ACCME and participating licensing/certifying boards. Questions? Email medstarceapplications@email.sitel.org.

As an ACCME Accredited Provider, we share and transmit your CME/MOC completion data with the Accreditation Council for Continuing Medical Education (ACCME), licensing board(s), and participating certifying boards. If you wish to opt out of this service, please uncheck the box below: ⓘ

☑ I provide permission for my CME/MOC completion data to be shared and transmitted to the Accreditation Council for Continuing Medical Education (ACCME), licensing board(s), and participating certifying boards.
