

American Heart Association Pediatric Advanced Life Support (PALS) Provider Course - Activity Information

Date: January 1, 2026 – December 31, 2026

Moderators Name/Title: Elizabeth Curran & Troy Jackson BA, NRP, CCFP, VEMSEC

Moderators Disclosure Information: No relevant financial relationships to report.

Learning Objectives:

- Utilize a systematic approach to differentiate between patients who do & do not require immediate intervention.
- Describe clinical characteristics of instability in patients with arrhythmias and recognize cardiopulmonary arrest early.
- Differentiate between respiratory distress & failure, compensated & decompensated (hypotensive) shock, unstable & stable patients with arrhythmias.
- Identify normal & abnormal cardiac rhythms and the appropriate pharmacological & electrical therapies.
- Demonstrate the cognitive and psychomotor skills necessary for resuscitating and stabilizing the infant or child in respiratory failure, shock, or cardiac arrest.
- State the indications & dosages of medications used in cardiac arrest and the effects on the cardiovascular system.
- Demonstrate the use of the various airway adjuncts and methods for optimum ventilation & airway control.
- Perform techniques to obtain vascular access in infants and children via intraosseous cannulation using the EZ-IO.
- Perform advanced skills in the assessment and treatment of cardiopulmonary arrest in the pediatric patient.
- Demonstrate the management of post–cardiac arrest.

The following Planning Committee members have reported no relevant financial relationships:

John Yosaitis, MD | Kimberly Benson, PA-C, MSPA, CHSE | Mary Calabrese, MSN. RN | Troy Jackson BA, NRP, CCFP, VEMSEC

Accreditation

In support of improving patient care, MedStar Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation

IPCE CREDIT™

This activity was planned by and for the healthcare team, and learners will receive **16.0** Interprofessional Continuing Education (IPCE) credits for learning and change.

Evaluation Information

You must complete an online evaluation at the end of this course to receive continuing education credit.

After completing the evaluation, your CE credits will be available on your MedStar Health CE transcript on CloudCME™ **on the next business day.**

American Heart Association Pediatric Advanced Life Support (PALS) Provider Course - Credits Available for this Activity

Nurses: This activity is approved for **16.0** ANCC contact hour(s). Nurses should claim only the credit commensurate with the extent of their participation in the activity.

Physicians: MedStar Health designates this live activity for a maximum of **16.0** *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

American Heart Association Pediatric Advanced Life Support (PALS) Provider Course - Evaluation and Transcript

You must complete an online evaluation at the end of this course within 30 days to receive continuing education credit.

After completing the evaluation, your CE credits will be available in your MedStar Health CE transcript on CloudCME™ on the **next business day**. CloudCME™ is a web-based continuing education portal where users can access their transcript anywhere, anytime, as well as register for MedStar Health conferences. Healthcare provider demographic information from all MedStar entities has been uploaded to CloudCME™ to facilitate a single sign-on system.

To access your transcript via CloudCME:

- Choose one of the two login options below.
 1. **MedStar Health Associates:** From your SiTELMS account under the Main Menu, select **CloudCME**. This will automatically log you in to your CloudCME account.
 2. **Non-MedStar Health Learners:** From your browser, go to <https://medstar.cloud-cme.com>, select **Sign in**, select “I am Not a MedStar Associate,” and log in with your credentials.
- Select **My CE** (yellow button in the navigation menu).
- Select **Transcript**.
- On the left side, adjust the **Filter by Date** fields to the desired time period.
- On the right side, select **Download Transcript** to save your transcript, or select **Email Transcript** to email your transcript to yourself or someone else.

For questions about accessing CloudCME™, please contact:

SiTEL Help Desk at 855-745-1861, Monday through Friday from 8 a.m. to 5 p.m. Eastern time, or at medstarceapplications@email.sitel.org.
