

MEP Faculty Education: Skills Sustainment Lab

Date: February 26, 2026

Speaker(s) Name/Title:

Abena Akomeah, MD | Hasan Chaudhary, MD | Gabriella Lopes, MD

Speaker(s) Disclosure Information: No relevant financial relationships to report.

Learning Objectives:

- Demonstrate procedural competency and confidence in critical emergency medicine procedures.
- Differentiate techniques of pericardiocentesis and cricothyrotomy approaches and equipment, dependent on situation and resources.
- Indicate balloon esophageal tamponade device placement and fiberoptic intubation.
- Define the steps and pre-procedural analgesia and anesthesia needed for successful fiberoptic intubation.
- Review fiberoptic intubation and understand order sets for fiberoptic intubation set-up.
- Identify the roles and responsibilities of team members.

No commercial support has been provided.

The following Planning Committee Members have no relevant financial relationships with ineligible companies to disclose:

Alex Koo, MD
David Carlberg, MD
Diana Ladkany, MD
Brooke Redmer, PA

All relevant financial relationships have been mitigated.

Accreditation

In support of improving patient care, MedStar Health is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC) to provide continuing education for the healthcare team.

Credit Designation

This activity was planned by and for the healthcare team, and learners will receive **1.50** Interprofessional Continuing Education (IPCE) credits for learning and change.

MedStar Health

MEP Faculty Education: Skills Sustainment Lab

Physicians: MedStar Health designates this live activity for a maximum of **1.50 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Physician Assistants:

MedStar Health has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for **1.50 AAPA Category 1 CME credits**. PAs should only claim credit commensurate with the extent of their participation.

Attention Physician Learners

To ensure accurate CME credit data reporting to participating state medical licensing boards/certifying boards, please log into **CloudCME™** and click on **My CE / Profile** to review and update your profile with the following details: **your full name, state of licensure (including number and expiration date), and your birth month and day.** Here is the direct link to the CloudCME™ website: <https://medstar.cloud-cme.com>.

Additionally, please remember to check the box at the bottom of the profile screen to grant permission for us to report your completion data to ACCME and participating licensing/certifying boards. Questions? Email medstarceapplications@email.sitel.org.

As an ACCME Accredited Provider, we share and transmit your CME/MOC completion data with the Accreditation Council for Continuing Medical Education (ACCME), licensing board(s), and participating certifying boards. If you wish to opt out of this service, please uncheck the box below: 

- I provide permission for my CME/MOC completion data to be shared and transmitted to the Accreditation Council for Continuing Medical Education (ACCME), licensing board(s), and participating certifying boards.
